Hello there!

2022 is drawing to a close and we look back on a year marked by the end of most of the pandemic limitations, limitations that brought about unheralded challenges but also new opportunities.

I think it is fair to say that the work that has been carried out by our Greenkeeper, Nélio Freitas and his team, has been outstanding and brought about notable changes in the playing surfaces and general course presentation. This work will continue during 2023 as we strive to meet and surpass your expectations.

At the same time the Golf Operation team have dedicated themselves to improving service levels and how the team communicate with our members. And more is yet to come. December will see the inauguration of the renovated Restaurant, Shop and changing rooms with a shift in the decoration that provides a lighter, more modern environment providing a relaxing end to your game.

Further in the document you will find our Membership rates and conditions for the coming season and all of the team members look forward to welcoming you to Palheiro Golf in 2023 and beyond.

Personally I would also like to thank the Club's President, Duarte Rodrigues and the board of Palheiro Golf for their continued support and contribution to both the present and future activities of the Club.

Your sincerely,

Golf Executive Manager
