Clube Palheiro Golfe
Madeira Island

Dear Members,

As we approach the end of 2026, we can look back with pride on another year of sporting achievements, investment and friendship at Palheiro Golf, and look ahead to 2027 with confidence.

Our young golfers have given us many reasons to be proud. Maximilian Luckhardt achieved 3rd place in the gross category at the World Kids Golf, while six players from the Academy qualified for the National Final of the Drive Challenge. We would also like to highlight Maria Cunha, who was selected for the national under-14 team in 2025 and, in 2026, took part in the 96th Portuguese International Ladies Amateur Championship. These achievements reflect the dedication of our young players and the support of their coaches and families. We also congratulate our Club Champions and everyone who represented Palheiro Golf throughout the year.

Another highlight was hosting the fifth tournament of the Portuguese Golf Federation's Mid-Amateur & Senior Circuit on 3 and 4 October. Welcoming the Federation's organising team to Palheiro for the first time and bringing the excitement of this national circuit to our course made the occasion particularly special. Special congratulations go to our member Mark King, who achieved an excellent victory in the Men's Senior category, finishing seven shots ahead of the runner-up. This is a result that makes both Mark and the Club very proud.

Continued investment in the golf course remains essential to maintaining the quality of the golfing experience we offer. The introduction of robotic lawn mowers is an important step towards more precise and efficient course maintenance, supporting the work of our team and helping to keep the course in excellent condition.

One of the year's greatest highlights was receiving the award for the World's Best Panoramic Clubhouse for the third consecutive year at the World Golf Awards. This recognition celebrates our exceptional setting and gives us an opportunity to acknowledge the dedication of the team who make Palheiro such a special place for members and visitors alike.

Looking ahead, the new Golf Academy and driving range represent an exciting investment in Palheiro's future. The project is currently awaiting approval from Funchal City Council. These facilities would provide better opportunities for members to practise and improve their game, while also helping to introduce more children, families and newcomers to golf.

The international nature of our membership and the friendships built through competitions and everyday social activities remain at the heart of life at Palheiro. We would like to thank all our members, staff, sponsors and partners for their contribution to this welcoming and lively community.

As I prepare to step down as President, I would also like to express my personal thanks. It has been a privilege to serve the Club and to share so many memorable moments with you. I wish the incoming Board every success and look forward to remaining involved in Club life and supporting Palheiro's continued development.
Please find attached the annual membership fees and membership conditions for 2027.

I wish all our members and their families a very Merry Christmas and a happy and successful New Year.

With best wishes,

Duarte Rodrigues
