PALHEIRO GOLF

 ◆
 9 June 2024

Which is the better grip for you? Better grip -» Better swing -» Better result

The size of your hands and the way you hold the club can influence the contact with the ball, swing trajectory, angle of attack and, of course, the flight of the ball.

ATTENTION:

In any of the grips, the V's formed by the thumbs and index fingers of each hand must both point between the right shoulder and the chin (for a right-handed player). These indicators will allow a good and consistent impact of the club on the ball.

Course Maintenance Update

Our maintenance team continues to work tirelessly to raise the quality of our course to the desired level.

In May, we concentrated our efforts on **cleaning and improving hole 12**. This was an intense job, but it will result in a significant improvement in the aesthetics and functionality of the course.

Our treatment plan, coordinated by our consultant, Engineer Tiago Piano, was rigorously executed. As planned for May, we applied **various treatments to the fairways and greens**, always with the aim of continually improving the condition of the course.

The remodelling of our **bunkers** is in full swing. We recently completed **work on hole 15 and are now focussing on hole 8**. The next to be remodelled will be hole 7.

We would like to remind all our customers of the importance of following the **90° rule** when using the buggies, **repairing pitch marks, smoothing out bunkers** and **replacing divots**. In addition, we ask smokers to **dispose of cigarettes properly**, avoiding throwing them on the ground.

We're counting on everyone's co-operation to keep our course clean and in excellent condition!

Bordal Golf Sunset

Also, this month, we hosted the Bordal Tournament, a shot gun at 1pm which culminated in a magnificent **sunset cocktail** on the balcony of the Vista Balancal Restaurant. Congratulations to our club member **Cecílio Camacho**, winner of this tournament in the net category.

Womens Golf Day

- Palheiro Golf welcomed **more than 80 ladies** for Women's Golf Day. It was an incredible afternoon of golf, health and well-being, with women from more than ten different nationalities taking part.
- The presence of our ambassador, actress **Vanessa Martins**, and the closing with a Sunset Cocktail to the sound of DJ Natacha Glizz and showcooking by Chef Duarte Oliveira made the event even more special.
- With this event we raised funds for the **Portuguese League Against Cancer**.
